

The Chickasaw Nation Health System in Ada, Oklahoma has a vacancy for a Physical Therapist. This tribal program has one hospital with the PT Department based in our spacious new outpatient physical therapy area. A new 72-bed hospital is slated to open in December 2009. The purpose of this position is to provide overall direction, utilization, supervision, instruction and evaluation of professional and supportive staff, volunteers and students in the area of physical therapy.

Candidate should be a graduate of an approved school of Physical Therapy with a preferred minimum of two years department/facility experience. Must have or be eligible for State Licensure or Registration. Registration must be obtained within one year or as per state law.

Excellent employee benefits include medical /dental insurance at no cost to the employee, very low-cost family coverage, 401K with 5% matching, annual incentive program, vision insurance and a pharmacy prescription card benefit. Annual and sick leave accrual in addition to thirteen tribal holidays.

Ada is nestled in the green hill country of south central Oklahoma. With a population of almost 20,000, this growing city has a variety of amenities including local restaurants, shops, movie theatre and an increasing number of recognizable branded businesses (i.e., The Home Depot, Starbucks, etc.). Ada is only 1 hour from a metropolitan area. The Oklahoma City Airport is approximately 1.5 hours away and the DFW (Dallas/Ft. Worth) International Airport is only 2.5 hours.

The Chickasaw Nation Health System offers competitive employment compensation, excellent benefits, a stable environment and an appreciative patient population. Malpractice is covered by Federal Tort Law.
